

ANNOUNCEMENT

David Ganong will join the ranks of the New Brunswick Business Hall of Fame on October 16th in a Gala hosted by the Junior Achievement of New Brunswick. In doing so, David will join prior inductees that include his grandfather Arthur, Wallace and Harrison McCain, KC and Arthur Irving, Rowland Frazee and many other outstanding New Brunswickers.

This is a terrific honour for David, recognizing his accomplishments both with Ganong Bros., Limited and the many other responsibilities he has assumed with directorships at other organizations, and working throughout his career with foundations, charities and NGO's.

As employees we should be very proud David receiving this honour, and celebrate this important recognition of his accomplishments.

This gala also serves as an important fundraiser for Junior Achievement, raising over \$1 million dollars since it's inception in 1997.

Dave Pigott
On behalf of the Executive Committee.
